Are you or someone you know affected by cancer?

caringthrucancer@yahoo.com

Caring Thru Cancer provides emotional, spiritual, and educational support to those affected by cancer. Let us help you!

Meet with others dealing with cancer and make connections with those who have gone through the same things you are going through and those who have survived it. The meeting is Monday, June 22 at 7 p.m., in the Queen of Peace community room. This month is all about our physical wellbeing. Savannah Olson from Optimum Therapies will give us insights on managing lymphedema and physical therapy during/after cancer. All are welcome!
